Zane Niemann

Assistant Farm Financial Consultant

I grew up on my family farm near Saint Edward, Nebraska. The operation consists of an irrigated corn and soybean rotation along with a few head of cattle. I graduated from the University of Nebraska in December 2024 with a degree in Ag Business. I'm excited to get my career started with Nebraska Farm Business!

In my free time, I enjoy cheering on the Huskers, hanging out with friends, and anything outside.

2024 Analysis

As commodity prices continue to fluctuate, it's more important than ever to know the financial health of your operation.

The analysis program may be right for you if you want to:

→ Understand your costs
→ Make sound financial decisions
→ Rise above the competition
→ Make a good farm better

If you are interested in getting started please contact your consultant to get the process rolling. It's never too late to get started! Farm Bureau members are now eligible for a 10% discount on the price of an analysis. If you're currently enrolled in the analysis program, the discount will be applied to your 2024 analysis.

DocuSign Tips & Tricks

- When redirected to DocuSign from your email, follow the prompts given. There is a "start" button and a "finish" button you will need to select to ensure you complete the Signature process.
- If you have the DocuSign request going to one email for both spouses, you will receive one email for EACH signature needed. The DocuSign email request will come from someone in our office, most likely Kathy or Brittny.
- You may need to answer security questions and enter your information to view your DocuSign documents.
- Don't forget to save your tax return to your device if needed.
- There is a DocuSign app. If you create an account on DocuSign and download the app, future documents to sign can be an easier process.

Tax Return Reminders

When you receive your 2024 tax return packet:

- Read the letter that is included, this will give instructions on paying your taxes or receiving your refund.
- Sign your 8879 and return it to our office. We need this document to file your tax return.
- If you choose to sign the 8879 electronically a pdf copy of your return will be included with the DocuSign, please save it to your device so you can forward it to your lender as needed.
- January 2026 estimate vouchers will be included in your packet.
- Reminder, NFBI will no longer prepare tax returns for the March 1st deadline.
- Tax returns will be completed on a first-come, first-served basis.

As always, you can contact the office or your individual consultant with any questions you may have. Thank you for your patience as we approach another filing season!
